# LETTER FROM THE CHAIR OF GOVERNORS

Dear Applicant

On behalf of the Governing Body, I would like to thank you for your interest in the post of Headteacher for Manor Infant School.

We are an inclusive school who believe that every day is a learning adventure. We are part of a thriving community, and the children enjoy being part of that community. We pride ourselves on having a welcoming and caring environment where every child can flourish.

Our vision is to create a learning environment where we can all

**'be the best that we can be'.**

We want our children to be inquisitive, independent, and confident life-long learners. We are very proud of our children and the role that they play both in the school and the local community.

The teachers and support staff throughout the school are our greatest asset who are ripe for further development. They are fully committed to the children in the school being able to achieve their potential alongside enjoying their learning journey. We are keen to support the Headteacher and all staff in creating and maintaining a school where high quality and inclusive teaching is the norm.

We would like our new Head Teacher to have vision for the future, to have the ability to build good relationships with the whole school community. They will need to be able to challenge positively and lead change effectively.

We currently have an interim Headteacher leading our school. Manor Infant School offers the right person a wonderful opportunity to lead in a caring environment where every day is a learning adventure. Governors are looking to appoint a new leader who will continue to move our school forward.

As a first step we would be delighted for you to visit school to experience our learning environment.

Please contact the school office on 01252 543348 to make an appointment to visit our great school.

Thank you  
Stacey Parsons  
Chair of Governors

# ABOUT OUR SCHOOL

Manor Infant School is a fantastic two form entry infant school and sits within an established cluster of schools. This is an excellent opportunity to work collaboratively with colleagues across this cluster, to share expertise and experience, ensuring all children in our schools receive an excellent education and reach their potential. It also gives you the chance to further your professional development.

The school is co-located on the same site as Manor Junior School, we have very strong relationships with them, most of our pupils leaving in Year 2 transition to the junior school.

Our school values are derived from the character strengths the children learn to celebrate as part of our mental health programme, myHappymind. The programme helps create a positive mental health culture in which children build resilience, self-esteem and character. Ofsted recognized that the school “places considerable emphasis on pupil’s wellbeing” and that pupils learn about their emotions and are helped to recognise their feelings. They also recognised that “pupils’ personal development is a strength of the school”. We know that children achieve and progress if they are happy and feel safe.

We believe in building strong relationships, a love for lifelong learning and high-quality inclusive teaching. We believe that effective relationships at all levels are vital to provide every child with the foundations upon which learning can take place.

We are passionate about building a strong moral compass in every child, by having regard for high standards of behaviour, which are explicitly referenced and modelled by all. Ofsted praised the work the school has done to teach the children to ‘be the best that they can be’ by learning the school values and that, “adults exemplify the values, demonstrating high expectations”. They found that pupils “behave well, respecting adults whom they trust to help them”.

# Education in Hampshire

## Manor Infant School

Choosing to teach in Hampshire may be the best move you can make.

As one of the largest authorities in the country, we can offer an unrivalled diversity in teaching opportunities; from the challenges of the urban and city school through to the rural primary which will provide a vibrant environment for development and promotion.

Hampshire schools are encouraged to operate and develop in a way which serves their local community, reflecting the cultural diversity the county has to offer. We feel this is best achieved through local management, with the Local Authority providing a supporting role wherever needed.

The county of Hampshire has over 170,000 school-age children in approximately 438 primary, 71 secondary and 26 special schools and other provisions. Whilst the majority are community schools, the LA has forged strong partnerships with Diocesan Bodies, and seeks to maintain the provision of places in Church schools. The county has 26 special schools, with an additional 42 units in mainstream schools, providing education and support for children with moderate, severe or complex learning difficulties, physical and sensory disabilities, and emotional and behavioural issues.

Hampshire's 'Early Admission' policy allows children to start school at the beginning of the school year in which they are five years old. At the other end of the age range, Hampshire was one of the first authorities in the country to establish a joint agreement on the 14-19 education of all students with the Local Skills Council.

With the County Office in Winchester, Hampshire Authority has an established network of advisors which provides a responsive and flexible service to the schools in their respective areas. There is also a strong ethos for collaboration and liaison, with regular meetings of Head teachers in phase, cluster and area groupings, aimed at maintaining a policy of communication and cooperation with the LA and between schools.

In Hampshire, we pride ourselves on providing first-class learning opportunities for our teachers both internally and with outside course providers. For new Head teachers, in partnership with governors, the LA operates a structured induction development programme which also helps develop close working relationships with other Head teachers and LA colleagues.

Hampshire's most recent Annual Performance Assessment confirmed that we are an Authority that provides excellent education and has an excellent capacity for further improvement. We are continually looking for innovative ways of improving standards in our schools, which can only be achieved through a commitment to our staff.

To find out more about Hampshire and what it has to offer, visit our website at [www.hants.gov.uk](http://www.hants.gov.uk). Hampshire has a lot to offer. We hope you will join us.
