Job/Person Summary

Limington House is a co-educational day school for young people aged 4 to 19 years with severe, profound and multiple learning difficulties.

Our school strapline is "Learning together we all achieve".

If you are enthusiastic, innovative, committed, conscientious and motivated to teach pupils with severe learning difficulties then this is the opportunity for you.

The successful candidate will have a positive and inspirational approach to leading a staff team and delivering an exciting learning environment.

We wish to appoint committed professionals who are passionate about the difference that they can make to the lives of our pupils.

We welcome teachers with a variety of backgrounds including teachers transferring from mainstream, ECTs and those with special needs experience. Experience is less important than aptitude and enthusiasm.

We provide a positive and supportive learning environment which enables each pupil to develop the skills and confidence to achieve their full potential.

We achieve this by:

- Leading high standards in learning, achievement and behaviour for all.
- Providing an engaging and relevant curriculum that supports the individual needs of all pupils.
- Recognising that all pupils learn, achieve and succeed in different ways.
- Enabling all pupils to communicate effectively.
- Respecting individual views on religious and cultural issues as all pupils develop into responsible citizens.
- Promoting effective working partnerships with parents and carers in all aspects of their child's learning.

- Developing all pupils to be as independent as possible and to live safe, healthy and fulfilling lives.

As a school we can offer:

- excellent resources
- a stimulating environment
- a supportive staff team
- a wide range of professional development opportunities

Visits to our school are welcomed and can be arranged at a mutually convenient time.
