Inclusive Education Trust

We're recruiting Trustees

The Inclusive Education Trust (IET) is a Multi-Academy Trust comprising four Alternative Provision academies across Surrey and Hampshire. Our schools are Reigate Valley College (RVC), Wey Valley College (WVC) and The Fordway Centre (FWC), based in Surrey, and Rowhill School (RHS), based in Hampshire.

We are particularly interested in people with expertise in:

- Law
- Finance
- HR and People

But professional expertise is only part of what we're looking for.

We're also interested in anyone with the passion, commitment and curiosity to support our work at a strategic Trust level.

- Bring fresh perspectives
- Challenge and support
- Help shape our future
- Make a real difference

We are keen to increase the diversity of our Board and welcome interest from ethnic minority backgrounds and other groups currently underrepresented in trusteeship and governance.
