**Teacher of English - MPR/UPR**

**Required from September 2026**

HTC would like to invite applications from dynamic, enthusiastic and committed teachers to join a strong, supportive and forward-thinking department where results are above the National Average for expected progress. We have OFSTED ratings of outstanding for Leadership and Management, and Personal Development, and good for Quality of Education and Behaviour and Attitudes (most recent OFSTED inspection November 2024). HTC is a 'school where students' academic achievements and their personal development are regarded as equally important'. 'Parents are overwhelmingly positive and appreciate the care and support their children receive'. The College is an exciting place to be and we welcome applications from qualified teachers who want to be part of a consistently strong College. Applications from Early Career Teachers due to qualify summer 2025 are welcomed.

This appointment would suit an ECT or experienced ambitious, well-motivated and effective teacher who is keen to take on new challenges and is passionate about our language and literature from across the globe. The successful applicant would be expected to teach English at Key Stage 3 and 4.

Informal enquiries/visits are welcomed and highly recommended, please contact Lynne Morgan, Subject Leader, on [lynne.morgan@horndeantc.hants.sch.uk](mailto:lynne.morgan@horndeantc.hants.sch.uk) to arrange.

Teaching application forms and further details are available on the College website.

The College is committed to safeguarding children and promoting the welfare of young people and expects all staff and volunteers to share this commitment.

Closing date for receipt of applications: 12 noon 17 March 2026

# Information for applicants

## THE ENGLISH DEPARTMENT

Thank you for your enquiry regarding the vacancy for a full time, Teacher of English, required from September 2026. The successful applicant would be expected to teach English at Key Stage 3 and 4. There are also opportunities to teach Media Studies if interested.

The English Department currently consists of eleven teachers. The Department is a highly supportive, creative and passionate one, with GCSE results which are increasing year on year.

The Department has its own suite of rooms, with nine classrooms and a staff workroom. There is an extensive resource system, including a rapidly expanding collection of texts. English lessons can also be taught in the Learning Resource Centre and in Computer Suites, subject to booking.

Across the years, students are taught in ability sets, which are based on reacting to the needs of students in each band to ensure that we adapt our provision to maximise student progress. All students follow a three-year Key Stage 3 curriculum, fulfilling the requirements of the National Curriculum. Our curriculum allows us to cover a wider range of rigorous texts and concepts from across the centuries, making use of creative pedagogical strategies to engage our students and build upon our team's enthusiasm for teaching, our language and the literary canon.

Throughout the curriculum, students will be taught skills required for GCSE, increasing in rigour and depth as they progress through the curriculum. We are determined to develop students' independence and resilience from early on to ensure that they are skilled and proficient learners in preparation for the increased rigour and fully examined GCSE course, but also to prepare them for the wider world.

In addition to the curriculum, we also have a growing extra-curricular provision. We have well established clubs such as Creative Writing club, Debate club and a Book Club. We regularly organise theatre trips and visits to famous literary related locations.

At Key Stage 4, students follow the AQA syllabus for English Language and English Literature. In all syllabuses, the English Department is expected to consider students' individual needs, the necessity for an adaptive approach and the requirements of cross-curricular initiatives. We also offer an additional GCSE in Media studies for students to take as an options subject.

Members of the Department employ a variety of teaching styles such as group work, assignment-based learning, supported self-study, process and skills development, as well as traditional didactic approaches. The aim is to help encourage the development of self-confidence, self-discipline, the ability to work in a team and to communicate effectively at many levels. We are very proud of our students and their commitment and enthusiasm towards learning and we are constantly seeking new ways in which to build on this.

Staff new to the College are expected to take part in a comprehensive induction programme designed to foster the common maintenance and development of the college's ethos and practices. Furthermore, each member of the team has an area of responsibility, ranging from standing as Pupil Premium champion to leading on internal and external competitions. This is a fantastic opportunity to get involved in different areas of College life and the running of the department and develop as a professional. Our team are all enthusiastic and active members, and we look forward to welcoming another member of staff.

The College has excellent facilities and technical support in respect of reprographic, video recording/playback and information technology provision. The learning resource areas are imaginatively resourced, and this sphere of provision is continuing to develop as rapidly as finances allow.

## Procedures

**“Horndean Technology College and Hampshire County Council are committed to safeguarding children and promoting the welfare of children and expects all staff and volunteers to share this commitment. We will ensure that all our recruitment and selection practices reflect this commitment. All successful candidates will be subject to Disclosure and Barring Service check along with other relevant employment checks.”**

### 1. Job Description

The Job Description gives an outline of the broad responsibilities and lists the main tasks involved in order to undertake the post successfully.

### 2. Person Specification

Every vacancy advertised is based on a person specification which describes the skills, experience and qualifications required. Please read this carefully so that you know what we are looking for. Candidates should be able to meet all the essential elements and it would be to their advantage to have at least some of the desirable elements.

### 3. Post and Recruitment Details

These will outline the general conditions of service and salary applicable to the post, the closing date for applications and the interview date. Additional information about the vacancy will be enclosed in respect of the particular faculty, section or work area as appropriate.

### 4. Filling in the Application Form

After reading the role profile and person specification, think carefully about your application and consider to what extent you have gained the skills and experience necessary for the post. Consider all the points in the job description and person specification when replying. Include evidence to support your application. Please send your completed application to Mrs Heathcote, Horndean Technology College, Barton Cross, Horndean, Waterlooville, PO8 9PQ. It has come to our attention that some applications sent using Royal Mail are not reaching us by the required closing date, this is due to the incorrect postage amount being paid.

*Please note that canvassing in any form will disqualify the applicant.*

### 5. Long Listing/Short Listing

This is the initial process of matching applicants against the relevant criteria in the person specification. The long or short listing panel will make judgements based upon the evidence presented in the application as to those candidates who best meet the criteria. References will normally be sought at the long listing stage. These will help us to develop a short list of candidates to be invited to interview. This also applies to internal candidates.

## 6. The Interview Panel

Normally, the interview panel will consist of two, three or four people. Other members of the panel will represent various levels of management associated with the advertised post.

## 7. The Day Structure

Candidates will be expected to furnish themselves with information and answers to most of their questions through the structure of the day. Candidates will nevertheless be asked if they have any final questions/points they wish to raise after the Panel have asked their questions.

Typical day structure:

0815	Arrive
0830	Tour of the College
0925	Teach a lesson
1020	Coffee in Department
1040	Time in Department
1130	Presentation if appropriate
1220	Lunch
1240	Final shortlist
1250	Interviews
	Panel announces decision
	Debriefs offered to unsuccessful candidates

*(Timing will, of course, be variable according to the number of candidates being interviewed).*

Each candidate will be asked the same core questions; however, members of the panel may ask relevant supplementary questions arising from your initial answer under the overall direction of the Chair.

All questions will be relevant to the job and will be as open as possible, thus allowing candidates to give evidence of their suitability. The level and complexity of questions will relate to the level of the post.

Members of the Panel will usually take notes during the course of the interview; these will be used to assist the Panel in making its final decisions.

## 8. Facilities at Interviews

Every effort will be made to provide appropriate facilities for candidates at interviews. Please contact the Recruitment Officer, Mrs J. Heathcote, should you have any special requirements in order to facilitate your attendance at the interview.

## 9. The Decision

The decision to appoint will be taken on the basis of the evidence that has been made available to the panel throughout the recruitment and selection process in relation to the criteria as stated in the person specification. Information gathered through earlier parts of the selection process can lead to a decision not to proceed with further interview. You will be notified as to the outcome.

#### 10. References

The appointment of external candidates will be subject to the receipt of two satisfactory references, as requested at the long listing stage.

Your present or most recent employer must be given as one of the two referees. This person will normally be the head of the organisation for which you currently or most recently worked. The other reference should be from someone who knows you, your work and ability. **Normally, references will be requested prior to interview.**

References will be used to supplement the Panel's decision or, if the Panel requires further evidence, to distinguish between candidates. The Chair of the Panel may request that further enquiries are made to either the referee and/or the candidate, where there is information or an omission in the reference giving rise to doubt or concern.

References will not be disclosed to the candidate.

All appointments will be subject to medical records. It may be necessary in some instances to refer a health questionnaire to an independent Medical Officer for a report.

In the event of you being appointed, it will be necessary for the College to check with the police as to whether you have a criminal record. Your authority to do so is given on the application form.

**Proof of qualifications will be required in the form of original certificates. Photographic proof of identification will be required, a passport or driving licence.**

**Please bring with you, if selected for interview.**

#### 11. Feedback to Unsuccessful Candidates

The College does not give reasons for non-appointment. It will invariably be that in the judgement of the panel there was a better candidate available or that no candidate met the College's requirement. Internal candidates will be offered a debriefing interview by an appropriate member of the panel. Any external candidate who requires feedback on their interview performance will also be offered constructive advice about their interview performance.

#### 12. Interview Expenses

The College will pay travel and subsistence expenses (within UK only) as set out on the claim form provided to short-listed candidates on the day. These will not normally be granted to candidates who withdraw before the selection process is completed. HCC procedure for Mileage Claims states all mileage claims must be submitted with a VAT petrol receipt that is dated prior to the mileage claim. There is no exception to this rule. No petrol VAT receipt = no claim!

13. No Smoking Policy

For Health and Safety reasons, the College has been designated a no smoking area and the successful applicant will be expected to comply with this policy.

14. Asylum & Immigration Act 1996

Under the Asylum and Immigration Act, we must require all candidates for employment to produce a document to prove that they are entitled to live and work in the UK. Please bring with you to the interview one of the following (not a copy):

- a documented National Insurance Number (eg. P45, P60 tax form, previous pay slip).
- a valid Passport from any European Economic Area state.
- a British Birth Certificate.
- a Certificate of Registration or Naturalisation as a British Citizen.

No offer of employment should be made until proof has been seen and checked carefully. A copy of the document for the successful candidate must be retained on the personal file.

These rules apply to all employees including staff employed on any type of casual contract.

15. Equal Opportunities

In line with our 'Vision Statement' and national legislation, Horndean Technology College is committed to seeking to ensure that all staff, both present and future, have equal opportunities, in the context of both national legislation and College objectives, irrespective of gender, ethnic origin, age, disability and other identities.

The successful candidate will be given full opportunities to develop professionally through a comprehensive induction and staff development programme which includes appraisal.

Thank you for expressing an interest in our College. I hope that these details will help you to make the best of any application. If you are unsuccessful in obtaining a post on this occasion, I wish you the all best in future applications you may wish to make.
