## A Letter From The Chair of Governors

Thank you for your interest in the Headteacher position at Potley Hill Primary School. On behalf of the Governing Body, I would like to extend a warm welcome and thank you for taking the time to consider this exciting opportunity.

Potley Hill is a vibrant and inclusive one-form entry primary school at the heart of the Yateley community. We are immensely proud of our caring ethos, our dedicated staff, and the children who bring our values to life every day. Our recent Ofsted report recognised many of our strengths, including the nurturing relationships between staff and pupils and the commitment to high-quality teaching and learning, which was highlighted through the Outstanding rated Behaviour of our pupils.

We are seeking a dynamic, forward-thinking leader with a clear vision for excellence in primary education. The ideal candidate will be someone who can inspire and empower others, lead with integrity and compassion, and build on the strong foundations already in place. In return, we offer a welcoming and supportive environment, a committed and experienced team of staff and governors, and children who are enthusiastic, curious, and eager to learn.

Our new Headteacher will be key to shaping the next phase of our school's journey—continuing to raise standards, celebrating diversity, and ensuring every child reaches their full potential. We are excited about the future and hope to find a leader who shares our ambitions and values.

We warmly invite you to explore our school further through our website: <https://www.potleyhill.hants.sch.uk>, where you will find additional information about our ethos, curriculum, and school community. Visits to the school are encouraged and can be arranged by contacting the school office. We would be delighted to show you what makes Potley Hill such a special place to learn and work.

Thank you once again for your interest. We look forward to receiving your application and learning more about the skills and qualities you can bring to our school.

With best wishes,

Antje Neville-Kwantes

### Curriculum

At Potley Hill Primary School, learning is at the heart of everything we do. Guided by our vision – “Dream Big, Aim High & Make a Difference” – we offer a broad and engaging curriculum that encourages every child to flourish both academically and personally.

Our approach to learning is rooted in curiosity, creativity, and challenge. We have a project-based curriculum where children are actively involved in purposeful learning experiences that encourage them to explore, question, and discover. High-quality teaching underpins this approach so that learning is both meaningful and ambitious.

Continuity and progression are central to our curriculum design. From Early Years through to Year 6, our goal is to build carefully on each child’s knowledge and skills to ensure strong foundations and a clear journey of learning.

Outside the classroom, outdoor learning, interesting activities and real-world contexts give children opportunities to collaborate, solve problems and apply their knowledge in new and exciting ways. Our Potley Hill Pupil Guarantee ensures that all our children have access to a wide range of opportunities – from cultural visits and sporting events, to creative and leadership experiences.

The school has adopted the PSHE programme, MyHappyMind which helps our pupils develop emotional literacy, resilience, and positive mental health. At Potley Hill, children are nurtured to become respectful, compassionate individuals, ready to contribute to the world around them.

Our school community is one where every child is understood and valued. We work closely with families, external partners and the wider community to create a caring and inclusive environment in which children feel safe, supported and inspired.

We know that every child has something special to offer and our curriculum is designed to help them find it and what they love to do.

More detailed information about the curriculum can be found on the [school website](#).

### Our Learning Environment

Potley Hill Primary School is a one form entry school which caters for children from Reception to Year 6. Each classroom has an interactive whiteboard, and pupils have access to laptops and i-pads which are used to support their learning.

The school building and site includes:

- a recently refurbished and restocked school library, from which pupils can borrow a wide range of books
- a large food technology room where pupils regularly design and make their own food products
- a dedicated music room which is used for both class music lessons and peripatetic music lessons
- a 'double-decker London bus' which operates as our 'Nurture Nook' and is used for both ELSA sessions and nurture groups to support the emotional wellbeing of children
- two inner courtyards in the centre of our school which are used for different purposes, with one helping to support the sensory needs of pupils and the other containing a performance area with a small stage and bench seating

We are also fortunate to have large external grounds which include three playgrounds and two fields, which are used for playtimes and PE lessons as well as a pond and outdoor learning area which are used for outdoor learning sessions. There is a Community Orchard adjacent to the school site.

Our site is part of a large campus which includes:

- Potley Hill pre-school
- Frogmore Community College [11-18]
- Frogmore Leisure Centre (Everyone Active)
- Frogmore Care and Wellbeing Centre (Age Concern)
- 8th Bramshill Scouts
- Floodlit all-weather outdoor sports facilities
- Substantial on-site parking

## Key Focus Areas

We have identified the following focus areas for our Headteacher during the next part of our journey:

- To build upon the supportive, vibrant and inclusive culture of the school, to promote the school's established vision and values and to ensure a happy, safe and exciting school environment.
- To establish a close and effective working relationship with the Governing Board to develop the school's strategy for its long-term success.
- To build excellent relationships with the staff, parents and stakeholders and to support, develop and empower all staff, ensuring high teaching standards for the benefit of every child, with a particular focus on early years.
- Ensure a sound financial plan is in place to respond to current financial and wider economic challenges whilst maximising the opportunities for the children.

These focus areas will be subject to a review, after appointment, with the governing body and Local Authority Leadership and Learning Partner to ensure that they remain the priorities for action.

## Education in Hampshire

Choosing to teach in Hampshire may be the best move you can make. As one of the largest authorities in the country, we can offer an unrivalled diversity in teaching opportunities; from the challenges of the urban and city school through to the rural primary which will provide a vibrant environment for development and promotion.

Hampshire schools are encouraged to operate and develop in a way which serves their local community, reflecting the cultural diversity the county has to offer. We feel this is best achieved through local management, with the Local Authority providing a supporting role wherever needed.

The county of Hampshire has over 170,000 school-age children in approximately 438 primary, 71 secondary and 26 special schools and other provisions. Whilst the majority are community schools, the LA has forged strong partnerships with Diocesan Bodies and seeks to maintain the provision of places in Church schools. The county has 26 special schools, with an additional 42 units in mainstream schools, providing education and support for children with moderate, severe or complex learning difficulties, physical and sensory disabilities, and emotional and behavioural issues.

Hampshire's 'Early Admission' policy allows children to start school at the beginning of the school year in which they are five years old. At the other end of the age range, Hampshire was one of the first authorities in the country to establish a joint agreement on the 14-19 education of all students with the Local Skills Council.

With the County Office in Winchester, Hampshire Authority has an established network of advisors which provides a responsive and flexible service to the schools in their respective areas. There is also a strong ethos for collaboration and liaison, with regular meetings of Head teachers in phase, cluster and area groupings, aimed at maintaining a policy of communication and cooperation with the LA and between schools.

In Hampshire, we pride ourselves on providing first-class learning opportunities for our teachers both internally and with outside course providers. For new Head teachers, in partnership with governors, the LA operates a structured induction development programme which also helps develop close working relationships with other Head teachers and LA colleagues.

Hampshire's most recent Annual Performance Assessment confirmed that we are an Authority that provides excellent education and has an excellent capacity for further improvement. We are continually looking for innovative ways of improving standards in our schools, which can only be achieved through a commitment to our staff.
