Application Procedure

Welcome from Nigel Wright, Headteacher

Welcome and thank you for your interest in working with us at Oakmoor School. We are a growing school and need to expand our teaching team.

If the following interests you then do keep reading...

- An additional week holiday at October half term. You will never work more than 7 weeks in a row.
- Centralised detentions
- Significantly under directed time
- Supportive SLT who are present around school every lesson every day

Oakmoor is brand new, state of the art secondary school situated in a 22 acre tree lined site on the edge of the South Downs National Park.

We are a friendly, vibrant school with high standards and expectations. We pride ourselves on knowing every young person as an individual and challenging each of them to have the highest possible aspirations.

We are a highly collegiate staff with high expectations of ourselves and each other surrounded by like-minded, high calibre colleagues, who strive to provide the best education possible for our students. It is an exciting time to be joining our brand new, vibrant school where all staff are valued and their contribution to the organisation as a whole is recognised.

Teachers are very well supported by an excellent professional support team at all levels who share our goal of every child achieving their very best whilst enjoying a rich and varied curriculum with plenty of opportunities to excel outside the classroom.

Students at Oakmoor display excellent behaviour in lessons and around the school. Teachers plan highly engaging lessons tailored to the needs of our students allowing high levels of progress to be enjoyed. Students benefit from a wealth of extra-curricular activities, including trips and visits to enrich their experience at our school.

Our Plan-Deliver-Assess focus means that we have stripped away unnecessary bureaucracy and meetings allowing teachers to spend time on the 3 most important parts of their role. Teachers have time to plan great lessons, enjoy delivering their lessons and assess progress efficiently to inform the next stage of their planning to meet student need.

Four years' ago, one of our staff-led school improvement groups, piloted a new approach to assessing the work of students in their classes to inform their planning, rather than providing detailed feedback to every child individually. The pilot was highly successful and is now our whole school approach to assessing and planning.

Every teacher has saved a significant amount of time by no longer making detailed notes in every child's book which was having a limited impact on student progress. Teachers now use this time to plan more precisely to address misconceptions and tailor learning to their classes.

Removing other time-consuming activities which prevent teachers from doing their job effectively has also led to considerable student enjoyment and progress which has consequently improved GCSE outcomes for our students. It also means great teachers stay at Oakmoor and we have created an exceptional teaching staff here.

At Oakmoor we encourage staff to develop and many of our teaching and professional support team have been successful with internal promotion in recent years. This provides excellent continuity for the school and allows colleagues the opportunity to progress whilst remaining in the school they enjoy being part of.

We have cutting edge technology throughout the site and the latest specialist equipment for key areas such as science, technology and performing arts. Our main buildings surround a central court yard which includes covered areas for outside dining accessible from the dining hall and seating areas accessible from the learning resource centre for reading at break and lunch times.

There is an abundance of green spaces which include several sports pitches, an athletics track, a nurture garden and a forest school area for outside learning and activities. The whole site is bordered by mature trees providing a relaxing and inspirational backdrop to the learning environment.

We are a very successful school where high levels of respect and conduct prevail. Our success shows that when you couple high quality pastoral care with high standards and expectations, young people are able to flourish and to achieve their very best.

Visitors comment on our purposeful learning environment and our delightful students.

Let Oakmoor look after you and your career. This is an exciting opportunity for an existing teacher or someone new into the profession.

Thank you for your interest in the Physical Education Department

Our PE department is comprised of specialist staff, further strengthened by the invaluable support of non-specialist colleagues who contribute to our extensive extra-curricular programme. We are fortunate to have a highly skilled and diverse team, with expertise across a broad range of sports. Staff members have competed at a high level in Athletics, Badminton, Basketball, Cricket, Football, Golf, Hockey, Netball, Rugby, Table Tennis, Tennis, and Ultimate Frisbee. This breadth of experience enables us to deliver high-quality teaching, coaching, and guidance throughout both curriculum lessons and extra-curricular activities.

At Key Stage 3, our curriculum is designed to provide students with a wide variety of sporting experiences, with the aim of fostering enjoyment in physical activity. We are committed to helping all students develop a passion for at least one form of physical activity, encouraging lifelong engagement in a healthy and active lifestyle beyond their time at Oakmoor. Sports offered in Years 7 and 8 include, but are not limited to, Football, Netball, Basketball, Gymnastics, Table Tennis, Mini Tennis, Badminton, Outdoor Adventure Activities (OAA), Cricket, Tennis, Rounders, Stoolball, Softball, and Athletics.

At Key Stage 4, our core curriculum continues to promote participation, with students given greater choice to pursue activities they enjoy. The focus expands to include skill development in coaching, officiating, and competitive sport, alongside active participation. We firmly believe that sport provides valuable opportunities to develop essential life skills such as resilience, empathy, and self-motivation. In addition to KS3 activities, students can also take part in Ultimate Frisbee, Handball, American (Flag) Football, Foot golf, Frisbee Golf, Paddle Sports, Yoga, Pilates, Aerobics, and Fitness.

Students who opt to study PE at the end of Year 8 follow the BTEC Tech Award in Sport course. Wherever possible, the course is delivered through practical application, developing students' sporting knowledge alongside their confidence in coaching and leadership. These skills are applied through the organisation and delivery of sporting events for local primary schools (Years 3–6).

The course consists of three components:

- **Component 1:** Preparing Participants to Take Part in Sport and Physical Activity
- **Component 2:** Taking Part and Improving Other Participants' Sporting Performance
- **Component 3:** Developing Fitness to Improve Performance in Sport and Physical Activity

Thank you for your interest in the English Department

The English department is a stable team. We have five full-time teachers, three part-time teachers and a team of teaching assistants who work consistently within English. We are a supportive and friendly team who work collaboratively on all aspects of teaching and learning.

Over the last few years, the school has grown and is now oversubscribed with first choices. Our vacancy for a Teacher of English provides a superb opportunity for a talented and excellent English teacher to join our team. We support every member of the team to continually develop and become highly skilled, reflective practitioners, and we look to open doors for everyone to ensure their continued professional development.

Our aim as an English department is to provide an excellent English education for all of our students. We want to inspire our Oakmoor learners to become life-long learners, writers and speakers, through their knowledge of English and accurate use of it in their own communication.

Our fully resourced English curriculum is designed to provide students with the core knowledge they need for success in English, both at school and in later life. It is planned to maximise their cognitive development and develop the whole person.

We hope that by exposing students to a rich and diverse canon of texts, chosen from a wide variety of contexts, voices and time periods, we can enable our students to appreciate and participate in the full richness of the human experience.

Our Key Stage 3 curriculum has been redeveloped and fully resourced in order to integrate evidence-based practice, with greater opportunities for subject knowledge and skills to be layered and connected through the years. Subject knowledge in our department is focused on how writers write and how readers read. In addition, we are trialling a drama-based approach to Shakespeare, guided by bespoke CPD and support from the RSC. Currently our students explore three different Shakespeare plays in Key Stage 3 that build the knowledge they need to be successful at Key Stage 4.

The curriculum in Key Stage 4 ensures that all students have the skills to succeed in their examinations, covering the content first before working on examination and revision skills in Year 11. The curriculum is engaging and thought-provoking for students, with carefully selected literature texts that offer rich intertextual links to develop critical thinking and engagement.

All of our classes in every year group are streamed, allowing teachers to plan adaptively, to offer high challenge and high support for all learners.

Working at Oakmoor School - A View from our Staffroom

There has been a real focus on reducing workload and unnecessary meetings. This has resulted in fewer after-school meetings. Even more significantly, we now have a whole-class feedback policy which has reduced time spent marking and given staff more time to focus on planning for progress.

Mr Denton, Mathematics Department

I have worked at Oakmoor School for over 20 years. In those years I have loved working here. We have a special staff team who are extremely supportive of one another. The students I work with are appreciative of the work I do and are always grateful for the time I give to help them.

I always said I would look to work in another school after 5 years of arriving but the wonderful students and staff have kept me here

Mrs Hale, Technology Department

I have worked at Oakmoor School for almost 7 years. Oakmoor provides students with the necessary knowledge, skills and attitude for their development, which ensures a wider scope and prospective about education and what career choice to make in the future. My work colleagues are very supportive and friendly, which creates a sense of community and team spirit.

Mrs Kelly, Administrative Department

Professional Support and Development

At Oakmoor we offer a diverse programme of professional development to enable teachers to enrich their practice in areas that they have identified and want to develop. Professional development is closely linked to our school strategic plan, our Teaching and Learning Principles, and individual performance management. This is to ensure that we are improving and enhancing the school as well as our individual practice. We are committed to creating a culture where every teacher can continuously develop and improve, “not because they are not good enough but because they can be even better.” In such a culture “there is no limit to what we can achieve.” (Dylan Wiliam).

Our performance management system is entirely focused on teaching, with time provided for teachers to work on developing their practice. All teachers identify an aspect of their teaching to focus on, research evidence-based teaching strategies, and then undertake a period of deliberate practice, monitoring the impact of this on students’ learning. The outcomes of this are shared within departments and wider across the school so we all contribute to our professional learning community.

Staff also have access to wide variety of training opportunities, through the University of Chichester Academy Trust, the Research Schools Network, the National College, Hampshire Teaching and Leadership College, and a range of other providers. A number of colleagues have participated in the NPQ programmes in recent years. We encourage everyone on our team to take their professional development seriously and are keen to support wherever we can.

For Early Career Teachers (ECTs), our programme has been recognised as delivering the highest grading for guidance and support for our newly qualified teachers. Our ECTs have a mentor who works in partnership with them to ensure that they continue to develop throughout the academic year. Their mentor observes lessons and provides regular feedback on the quality of their teaching as well as offering helpful advice on how to improve further. This support programme continues once qualified teacher status has been achieved, as staff progress into our Recently Qualified Teacher (RQT) programme, This has been developed to ensure that support and professional learning is on-going, as we recognise that we have different needs at different stages of our career.

For professional services staff wishing to become teachers, we have a successful School Direct programme which is delivered jointly through our close link with the University of Chichester. This programme provides an opportunity to train with us for one year and includes a second placement in another school for one half term. When accepted onto our School Direct Programme, trainees are fully integrated into our staff team and are supported to ensure that they are given every opportunity to develop the skills required to become an outstanding teacher. To date, we have a 100% pass and employment rate and we expect to see this continue in the future.

University of Chichester Multi-Academy Trust

The University of Chichester Academy Trust ('the Trust') is uniquely placed to make a difference to the local education landscape. Schools who join our Trust do so because they wish to work with like minded schools who have a shared passion for pupil centred learning, and a desire to work together for the benefit of the wider community that we serve. The Trust is a member of the Confederation of School Trusts and The Queen Street Group.

The Trust has 15 academies in its education family, based in Hampshire, Portsmouth and West Sussex, and a SCITT. Although we share the same vision and values, each of our academies have their own identity which defines them within their local community. The Trust is strongly committed to valuing the uniqueness of each school and governance, through local governing bodies. We offer:

Co-Leadership Approach

The headteachers of our academies all lead their own schools and contribute to the wider leadership of the Trust. Our headteachers have a key role in driving the policies and procedures of the Trust and in leading areas of strategy and projects across our academies.

A Shared Vision

For all young people to be inspired by an excellent education that raises their aspirations and enriches their lives.

A Shared Mission

To create a vibrant, inclusive and aspirational family of academies, transforming life chances for pupils through excellent teaching and learning.

Achieve More, Challenge Thinking, Shape Futures

The collective strategic priorities of the Trust are outlined below. The Trust's Education Development Team have developed a programme, with the University of Chichester, to support all teachers, ensuring evidence-informed practice and professional enquiry promote and meet the strategic priorities.

Learning and Society

Ensure our curriculum offer allows all of our pupils to achieve more and identify with their school community and society as they journey through each of our schools and work closely with our University sponsor.

Strategic Leadership

Develop the leadership capacity and impact of our staff so that they are professionally developed in line with our Trust ambitions and their professional learning pathway.

Collective Responsibility

Invest in and support our staff so that they collaborate to strategically raise the standards all pupils reach and embed evidence-based practices that have an impact on pupils' learning and identity.

Trust Identity Ensure our Trust identify and narrative, including our Equality, Diversity and Inclusion commitment, is known to our communities within and outside of the Trust, so that they see, help shape and benefit from being part of the University of Chichester Academy Trust.
