

Class Teacher in Year 2

Fixed term - Summer Term 2025

We have a vacancy for a **Fixed Term Class Teacher** to work in our fabulous, caring and creative school for the summer term.

Last year we had our successful Ofsted inspection where it was noted that, '***Pupils are excited to learn,***' and '***pupils show respect through the polite and courteous way in which they behave towards each other.***'

As a strong team of passionate leaders, teachers and support staff, we are looking to welcome a likeminded, enthusiastic and dedicated new member. You will have the important skills and qualifications needed to fulfil the role as well as initiative, compassion, flexibility and a good sense of humour. Above all, we are looking for someone who enjoys teaching and working with children to help them to grow as learners and citizens. We would be willing to consider teachers looking to work part time for this role.

As a school, we are committed to our staff both professionally and personally; we will prioritise your CPD and wellbeing. If you think you have the skills and qualities we are looking for, this could be the job for you! Why not arrange a visit with Miss Vittle our headteacher?

Application Deadline: Noon Monday
9th February 2026

Interview Date: Thursday 12th February
2026

To start: 13th April

Pay Scale: Depending on experience

Visits are warmly welcomed

READY  RESPECTFUL  SAFE

Letter from the Headteacher

Job details

Our School

Learning at Oliver's Battery

Advert

January 2026

Dear Colleague,

Thank you for showing an interest in the Fixed Term Classroom Teacher vacancy at Oliver's Battery Primary and Nursery School. I am delighted to enclose an application pack for your information.

Oliver's Battery Primary and Nursery School is a happy, seven class Primary School with 220 pupils on roll including children in our Nursery setting. Set on the outskirts of the historic city of Winchester, we enjoy a prominent position in the heart of Oliver's Battery. The pupils here at Oliver's Battery are the stars of the show; they are enthusiastic children who enjoy learning. Parental support is very strong and the Governing Body is effective.

This is an exciting time for our school. Having joined the school just under two years ago, I am thrilled to work alongside a strong team of likeminded teachers and support staff who pride themselves on a shared determination to provide a successful, safe and caring school where all children can thrive.

Last year, we had our Ofsted inspection where it was noted that, 'Pupils are excited to learn,' and 'pupils show respect through the polite and courteous way in which they behave towards each other.'

As a strong team of passionate leaders, teachers and support staff, we are looking to welcome a likeminded, enthusiastic and dedicated new member for the summer term. You will have the important skills and qualifications needed to fulfil the role as well as initiative, compassion, flexibility and a good sense of humour. As a school, we are committed to our staff both professionally and personally; we will prioritise your CPD and wellbeing. Above all, we are looking for someone who enjoys teaching and working with children to help them to grow as learners and citizens. We would be willing to consider teachers looking to work part time for this role.

The closing date for applicants is Noon on Monday 9th February and shortlisting will take place on this day. Successful applicants will be invited to attend for interview on Thursday 12th February.

I would be absolutely delighted to welcome you to school for a visit to meet some of the children and see for yourselves what we can offer each other. Alternatively, if you would like an informal chat about this position, please do phone and ask to speak to me. If you feel you would enjoy the challenge and rewards of working with us, we would be pleased to receive an application from you. I very much look forward to hearing from you.

Yours sincerely,

Sarah Vittle

Headteacher

---------------	---

Originally founded in 1973, Oliver's Battery Primary School is a thriving community with happy, confident and kind children whose passion for learning shines through in everything they do. We offer excellent facilities for pupils and staff including a school hall and kitchens, a well-stocked library, a large playground, outdoor adventure equipment, an extensive school field, an Edible Playground and two Forest Schools.

Parents play an active role in school life with many volunteering to help in school as well as through the PTA group (FOBS) who fundraise to support the school. We are proud to offer a creative and nurturing Breakfast and After School Club supervised by our own staff. In addition, there are a large number of lunchtime and after school clubs to further enhance the opportunities available for children.

The school has a PAN of 30 and consists of eight classes:

Nursery: Hedgehogs

Reception class: Squirrels

KS1: Ladybirds (Year 1) & Bumblebees (Year 2)

KS2: Hares (Year 3), Foxes (Year 4), Herons (Year 5) & Kingfishers (Year 6)

Each class has a Class Teacher, as well as support from LSAs where appropriate, depending on the needs of the pupils within the classes.

There are currently 44 pupils on the SEND register and 6 of these children have an Education, Health Care Plan.

Learning at Oliver's Battery

At Oliver's Battery we want children to enjoy their learning; develop enquiring minds, nurture the personal qualities they need to be good citizens of the world and develop a sense of their own nationality and culture, whilst encouraging a profound respect for the nationalities and cultures of others. Most of all, we want children to develop all the skills they will need to confidently face the world of tomorrow.

The curriculum at Oliver's Battery is broad and encourages the creativity of the children. For example, music is included, particularly with the Hampshire Schools Music Service that visits the school weekly to teach all the children in a variety of year groups. There are a number of peripatetic music teachers that visit the school and offer additional music lessons in a variety of different instruments.

At Oliver's Battery we recognise the contribution of PE to the health and well-being of the children. We believe that an innovative, varied PE curriculum and extracurricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our children. A mix of different sports and opportunities for all to participate and compete at different levels is at the heart of our planning.
