Headteacher's Welcome

Brookfield is a school whose priority is to ensure staff and students are successful and happy. We have a rich and diverse curriculum open to all students, led by a highly talented group of curriculum leaders. Our students are engaged, confident, polite and well behaved (mostly) and move on to gain excellent results and future successes.

I am proud to say we have a lovely school which is down to how staff across the school work so effectively together. We have an ethical approach to leadership underpinned by strong, trusting relationships and collaborative working.

If you are an aspirational professional who shares our core values and wants to make a positive difference to the lives of the young people at Brookfield, then please complete the appropriate forms.

Before applying, why not visit us during the working day: Please contact Recruitment at recruitment@brookfield.hants.sch.uk to arrange an appointment.

Yours faithfully

Stuart Parkes
Headteacher

Teacher of Physical Education

Our PE Team is led by Robert Ablitt and consists of 10 teachers. As a department we aim to improve the teaching and learning of practical and theoretical elements of PE through a continuous Year 7-11 curriculum.

Year 7, 8 and 9 students participate in 3 or 4 lessons a fortnight and Core Year 10 and 11 classes participate in 3 lessons a fortnight. Our PE curriculum is designed to encourage mass participation. We have a 'Team Brookfield' ethos where everybody can contribute and make an impact in every lesson. Inclusivity for all, whether they are sporty or not. Although being a performer and developing fitness levels are important, we also develop mental and social aspects of the whole student. Our curriculum is designed to educate the student in a sequenced number of learning objectives throughout the year.

In Year 9 we continue to ensure all students have the same opportunity to develop theoretical knowledge as well as improve their practical skills in a variety of sports/activities. Students will decide whether to take pre-GCSE/CN Sports Studies PE or opt to take normal core PE.

In Years 10 and 11 we offer GCSE PE and the Cambridge National Sports Studies course, along with 3 pathways that students can opt for in Year 10 in core PE. As students move into Year 11, they will be able to opt for a PE Pathway to allow all students to enjoy PE lessons, have fun and stay active.

Co-curricular PE is a vital area for the department which our team enjoys and excels at. We have success at district and county level and offer a wide breadth of teams and clubs. The expectation is for all members of the PE team to commit to the co-curricular programme.

The sports facilities at Brookfield Community School consist of a Sports Hall, Gymnasium, Fitness Suite, MUGA, Courts, 3G football pitch and extensive playing fields. Each teacher is allocated a laptop, and the department has access to iPads to aid teaching and learning. The PE staff room is located next to the Sports Hall.
