

Park Gate Primary School

About Our School

Park Gate Primary School has been at the heart of the community since opening in 1972 as Park Gate Junior School. In response to increasing local demand, we became a full primary school in 1995. Today, we educate pupils from ages 4 to 11, with a total capacity of 420 children, organised into 14 classes across 7 year groups.

Our Ofsted Rating

We are proud to have been rated **'Good' by Ofsted** in our most recent inspection (March 2023), reflecting the high standards and nurturing environment we provide for our pupils.

Our Facilities

Over the years, the school has grown significantly, and we are proud to offer a range of excellent facilities that support both learning and enrichment. These include:

- 14 modern, well-equipped classrooms
- A dedicated music and drama room
- A well-stocked library that encourages a love of reading
- The Lodge – a versatile space used for small group teaching, meetings, and home to our popular Breakfast and After School Club
- A polytunnel and dedicated growing areas, providing opportunities for outdoor learning, gardening projects and environmental education
- An adventure play area that supports active play, physical development and social interaction
- Extensive IT facilities, including access to laptops, tablets and virtual reality (VR) headsets, enhancing learning through innovative and immersive technology

Our Values and Vision

At the heart of Park Gate Primary School is a commitment to creating a safe, inclusive, and inspiring environment where every child can thrive. Our vision of **'Success for All'** is underpinned by our core values:

Partnership | Achievement | Resilience | Kindness | Growth | Aspiration | Trust | Excellence

These values shape every aspect of school life, guiding behaviour, decision-making, and relationships. We also follow **The Park Gate Way**, our behaviour code, which promotes respect for ourselves, others, and the world around us.

A Collaborative Community

We are incredibly proud of our strong sense of community. Staff, parents, governors and pupils work together to create an engaging, supportive and ambitious learning environment. Whether inside the classroom or beyond, our team is dedicated to helping every child achieve their full potential. This sense of partnership is strengthened by our active **Friends of Park Gate Charity**, which plays an important role in enriching school life through fundraising and events. The group is always keen to welcome new members who wish to contribute to our thriving school community.

Want to Know More?

We'd love the opportunity to show you around and give you a true sense of what makes Park Gate so special.
