Application Procedure

Welcome from Nigel Wright, Headteacher

Welcome and thank you for your interest in working with us at Oakmoor School. We are a growing school and need to expand our team.

If the following interests you then do keep reading...

- An additional week holiday at October half term. You will never work more than 7 weeks in a row
- Centralised detentions
- Significantly under directed time
- Supportive SLT who are present around school every lesson every day

Oakmoor is brand new, state of the art secondary school situated in a 22 acre tree lined site on the edge of the South Downs National Park.

We are a friendly, vibrant school with high standards and expectations. We pride ourselves on knowing every young person as an individual and challenging each of them to have the highest possible aspirations.

We are a highly collegiate staff with high expectations of ourselves and each other surrounded by like-minded, high calibre colleagues, who strive to provide the best education possible for our students. It is an exciting time to be joining our brand new, vibrant school where all staff are valued and their contribution to the organisation as a whole is recognised.

Teachers are very well supported by an excellent professional support team at all levels who share our goal of every child achieving their very best whilst enjoying a rich and varied curriculum with plenty of opportunities to excel outside the classroom.

Students at Oakmoor display excellent behaviour in lessons and around the school. Teachers plan highly engaging lessons tailored to the needs of our students allowing high levels of progress to be enjoyed. Students benefit from a wealth of extra-curricular activities, including trips and visits to enrich their experience at our school.

Our Plan-Deliver-Assess focus means that we have stripped away unnecessary bureaucracy and meetings allowing teachers to spend time on the 3 most important parts of their role. Teachers have time to plan great lessons, enjoy delivering their lessons and assess progress efficiently to inform the next stage of their planning to meet student need.

Four years' ago, one of our staff-led school improvement groups, piloted a new approach to assessing the work of students in their classes to inform their planning, rather than providing detailed feedback to every child individually. The pilot was highly successful and is now our whole school approach to assessing and planning.

Every teacher has saved a significant amount of time by no longer making detailed notes in every child's book which was having a limited impact on student progress. Teachers now use this time to plan more precisely to address misconceptions and tailor learning to their classes.

Removing other time-consuming activities which prevent teachers from doing their job effectively has also led to considerable student enjoyment and progress which has consequently improved GCSE outcomes for our students. It also means great teachers stay at Oakmoor and we have created an exceptional teaching staff here.

At Oakmoor we encourage staff to develop and many of our teaching and professional support team have been successful with internal promotion in recent years. This provides excellent continuity for the school and allows colleagues the opportunity to progress whilst remaining in the school they enjoy being part of.

We have cutting edge technology throughout the site and the latest specialist equipment for key areas such as science, technology and performing arts. Our main buildings surround a central court yard which includes covered areas for outside dining accessible from the dining hall and seating areas accessible from the learning resource centre for reading at break and lunch times.

There is an abundance of green spaces which include several sports pitches, an athletics track, a nurture garden and a forest school area for outside learning and activities. The whole site is bordered by mature trees providing a relaxing and inspirational backdrop to the learning environment.

We are a very successful school where high levels of respect and conduct prevail. Our success shows that when you couple high quality pastoral care with high standards and expectations, young people are able to flourish and to achieve their very best.

Visitors comment on our purposeful learning environment and our delightful students.

Let Oakmoor look after you and your career. This is an exciting opportunity for an existing teacher or someone new into the profession.

Working at Oakmoor School - A View from our Staffroom

There has been a real focus on reducing workload and unnecessary meetings. This has resulted in fewer after-school meetings. Even more significantly, we now have a whole-class feedback policy which has reduced time spent marking and given staff more time to focus on planning for progress.

Mr Denton, Mathematics Department

I have worked at Oakmoor School for over 20 years. In those years I have loved working here. We have a special staff team who are extremely supportive of one another. The students I work with are appreciative of the work I do and are always grateful for the time I give to help them.

I always said I would look to work in another school after 5 years of arriving but the wonderful students and staff have kept me here

Mrs Hale, Technology Department

Working at Oakmoor as a teacher is an absolute pleasure. This is my seventh year at Oakmoor School and feel so lucky to have such an amazing classroom environment. Everything a teacher could wish for, lots of cupboard space, visualizers, interactive whiteboards and space to create displays. The team at Oakmoor is supportive and it feels like a family".

Mrs Sutehall, Humanities Department

I have worked at Oakmoor School for almost 7 years. Oakmoor provides students with the necessary knowledge, skills and attitude for their development, which ensures a wider scope and prospective about education and what career choice to make in the future. My work colleagues are very supportive and friendly, which creates a sense of community and team spirit.

Mrs Kelly, Administrative Department

Professional Support and Development

At Oakmoor we offer a diverse programme of professional development to enable teachers to enrich their practice in areas that they have identified and want to develop. Professional development is closely linked to our school strategic plan and individual performance management to ensure that we are improving and enhancing the school as well as individual practice.

Throughout the school year, staff participate in a Twilight programme of professional development that has a focus on key areas. All staff are given the time and opportunity to choose a theme that they would like to research and study. The results of this work are then implemented to improve and enhance an area of their practice. There are also opportunities to share this knowledge with the whole school through our meeting and INSET programme and on many occasions whole school policy and practice has been influenced by the Twilight professional development programme.

Staff are also given the opportunity to work collaboratively with other staff and departments across the school through our meeting cycle. The collaborative meetings have a clear agenda that relates to sharing good practice to enhance provision through planned learning walks, work scrutiny opportunities and discussion and debate regarding learning, the curriculum, assessment, examination technique and classroom practice.

For Early Career Teachers (ECTs), our programme has been recognised as delivering the highest grading for guidance and support for our newly qualified teachers.

Our ECTs have a mentor who works in partnership with them to ensure that they continue to develop throughout the academic year. Their mentor observes lessons and provides regular feedback on the quality of their teaching as well as offering helpful advice on how to improve further.

This support programme continues once qualified teacher status has been achieved, as staff progress into our Recently Qualified Teacher (RQT) programme to ensure that support and development is on going, as we recognise that we have different needs at different stages of our career.

For professional services staff wishing to become teachers, we have a successful School Direct programme which is delivered jointly through our close link with the University of Chichester. This programme provides an opportunity to train with us for one year and includes a second placement in another school for one half term. When accepted onto our School Direct Programme, trainees are fully integrated into our staff team and are supported to ensure that they are given every opportunity to develop the skills required to become an outstanding teacher. To date, we have a 100% pass and employment rate and we expect to see this continue in the future.
