Introduction from our Federation Headteacher

Welcome!

Thank you very much for your interest in our schools. Netley Abbey Infant and Junior Schools are both Ofsted-rated good schools (Ofsted 2023). We are looking for an enthusiastic and creative learning support assistant (LSA) to join our staff team. This could be an exciting opportunity for a candidate new to the role; our school has an excellent track record of supporting early entrants to the classroom. Likewise, this could be the perfect role for a more experienced LSA who would like to join our highly-skilled and dedicated team.

As we teach the full primary curriculum across our Federation, we welcome candidates with any primary experience, as this mixture of skills would complement and enhance our current staffing.

Our children are happy and engaged in their learning. We have excellent facilities and a well-resourced learning environment. Our fantastic grounds enable us to develop learning outside the classroom. Visitors to the school regularly remark on the good behaviour of our children and their enthusiasm towards learning. We are told our schools have a welcoming atmosphere and we would like you to experience this as well.

Further details can be found in this pack and we are happy to answer any questions you have. We would be delighted to receive your application and look forward to meeting you soon.

Our vision & values ...

Our Vision:

Rooted in fairness and compassion, we strive for excellence and resilience, shaping a learning community where children grow as respectful, kind, safe and confident learners.

How we achieve this (our mission):

Through the explicit teaching and showcasing of our **pupil values**: Ready, Respectful, Safe and Kind.

Through our **staff values** of Kindness, Empathy, Excellence and Resilience - which inform every decision each of our staff make on a daily basis.

Resulting in:

Excellence Every Day!

Our Locality

The Federation of Netley Abbey Infant and Junior Schools, formed in 2020, comprises of two delightful schools serving the local community within the Itchen Valley. Both Netley Abbey Infant and Junior School share the same site within Hampshire with a variety of contrasting localities nearby including; the coastline, countryside, heritage site, a range of facilities and quiet villages. The shores of the Hamble River are a haven for yachtsmen and the school itself is only a short distance from the Royal Victoria Country Park which sweeps down to the water's edge at Netley and is an ideal place to pursue walking and water sports amongst many other leisure facilities.

The original primary school was opened in 1876 at Butlocks Heath. The junior school moved to the present site in 1974. The infant school was then opened in 1984 on the junior school site, having moved from the village centre. Our infant school comprises of three classrooms within each year group for our Reception, Year 1 and Year 2 Pupils. Within the junior school, we are also three-form entry with three modular buildings on our large site for our Year 3, 4, 5 and 6 Pupils. There are various playground areas and extensive playing fields. The school grounds provide a pleasant environment for the pupils and this is well utilised within our curriculum.

Within our Federation, we are committed to developing lifelong learners and responsible citizens with a clear vision for their future. Our high-quality inclusive teaching and learning raises standards of achievement for all children within a seven year journey from Year R to Year 6.

Early Years Foundation Stage

In our Federation we believe that a strong foundation is vital for future success. We facilitate children's learning through inspiring them with irresistible opportunities and 'magical moments'. We find out what the children's fascinations and interests are as a starting point before children begin school with us in Reception. We aim to create a welcoming, engaging and stimulating learning environment which encourages the children to explore, investigate and take their learning forward with the help and support of the skilled adults. Children are encouraged to become independent learners and to take responsibility for their own lines of enquiry, with inclusive and diversity at the heart.

Key Stage One

As the children move into Key Stage 1, Netley Abbey Infant School allows for seamless transitions both environmentally and within the curriculum. This ensures the children feel safe and secure within their learning environment. Where we can we will use staff who know the children well, to move with them into their new year group. This enables all children to progress in their learning quickly without transition being a barrier.

The National Curriculum is divided up into learning adventures across the key stage. Planning has been carefully constructed utilising our curriculum overview documents of knowledge and skills for all subjects. Each year group will aim for consistent planning opportunities across the three classes. All learning adventures are planned with the children's interests in mind and begin with a hook which draws in the children's curiosity and culminates with an exciting and usually hands-on outcome.

Our Teaching and Learning Principles across the Federation are based upon the research of Mary Myatt ('High Challenge, Low Threat'), Rosenshine's Principles, Guy Claxton ('Building Learning Power') and Jon Hattie ('Visible Learning').

Outdoor learning is planned for within each learning adventure and outside areas are available for all classes in KS1 as well as the use of the field. This helps build on the foundations set within the children's first year in EYFS.

Key Stage Two

Our Federation transition package allows for pupils to move into Year 3 seamlessly, in readiness for the increase in challenge of the Key Stage Two National Curriculum, with secure relationships and happiness at the heart.

Planning is expertly created by our excellent teaching staff, based on what the children need to know and their current attainment. Although class teachers adapt planning for groups of pupils, the same general learning outcomes are consistently achieved across a year group.

Mary Myatt's curriculum development around challenge for all with low-threat task design has been key to our training across the junior school and has ensured all children experience a greater depth to their learning in all subjects. Teachers utilise their expert pedagogical knowledge to deliver engaging, high-quality inclusive teaching for all groups of pupils to achieve highly in every area of the curriculum. We learn to build knowledge and skills; because this gives pupils the best chances in life to achieve their best within our Federation, at secondary school and beyond!

What do Ofsted say about our Federation?

Adults work with skill, compassion and consistency to enable all pupils to succeed.

Pupils really enjoy coming to school. Classrooms are hubs of learning, active children fill the playground and pupils are sociable at lunchtime.

All pupils show politeness and respect for adults and classmates.

Leaders have high aspirations for all pupils at the school. The curriculum has been carefully designed, with a clear priority on reading.

Staff support pupils with specific needs well, giving careful consideration to make the learning accessible to all.

Leaders have high expectations for pupils' behaviour and model this in their own conduct.

Supporting the local community is a key focus of the school. Pupils consider the needs of others.

Governors know their responsibilities, and carry these out effectively. The dedicated staff are very supportive of one another.

Pupils are encouraged by staff to 'be the best that they can be' at this vibrant, inclusive school. One pupil summed this up, saying, 'The best thing about our school is that it is a community for everyone.'

One pupil was proud to share, 'From reading to Taekwondo, you can do everything here!'

Pupils explain their 'Netley Learning Model' with confidence, describing how they are encouraged to think about people's differences so that they learn to respect each other.

Leaders have developed an ambitious curriculum for all pupils. Staff create a love of reading through initiatives such as the library book swap and by regularly sharing high-quality texts.

Pupils talk about books with enthusiasm and share detailed recounts of stories that teachers have read to them in lessons.

Leaders deliver a thoughtful programme that supports pupils' wider development.

One parent commented, 'You will find clubs suitable for everyone...teachers always have the best interests of children at heart.'

Education in Hampshire

Choosing to teach in Hampshire may be the best move you can make. As one of the largest authorities in the country, we can offer an unrivalled diversity in teaching opportunities; from the challenges of the urban and city school through to the rural primary which will provide a vibrant environment for development and promotion. Hampshire schools are encouraged to operate and develop in a way which serves their local community, reflecting the cultural diversity the county has to offer. We feel this is best achieved through local management, with the Local Authority providing a supporting role wherever needed.

The county of Hampshire has over 170,000 school-age children in approximately 438 primary, 71 secondary and 26 special schools and other provisions. Whilst the majority are community schools, the LA has forged strong partnerships with Diocesan Bodies, and seeks to maintain the provision of places in Church schools. The county has 26 special schools, with an additional 42 units in mainstream schools, providing education and support for children with moderate, severe or complex learning difficulties, physical and sensory disabilities, and emotional and behavioural issues.

Hampshire's 'Early Admission' policy allows children to start school at the beginning of the school year in which they are five years old. At the other end of the age range, Hampshire was one of the first authorities in the country to establish a joint agreement on the 14-19 education of all students with the Local Skills Council.

With the County Office in Winchester, Hampshire Authority has an established network of advisors which provides a responsive and flexible service to the schools in their respective areas.

Hampshire's most recent Annual Performance Assessment confirmed that we are an Authority that provides excellent education and has an excellent capacity for further improvement. We are continually looking for innovative ways of improving standards in our schools, which can only be achieved through a commitment to our staff. To find out more about Hampshire and what it has to offer, visit our website at www.hants.gov.uk. Hampshire has a lot to offer. We hope you will join us.
