11. Key decision-making areas in the role

Selection of staff (where appropriate) – involvement with the recruitment of cleaning staff, decide and agree with headteacher/line manager.

Stock – monitor stocks of cleaning products and PPE and re-order as necessary.

Deployment and allocation of work to staff (where appropriate) – line manage any directly reporting cleaning staff, including organising training, workload allocation and performance management.

Engagement of contractors, e.g. emergency repairs and routine maintenance – report defects to term contractor and line manager, decide/agree with line manager works required outside of SLA agreement.

Repairs – identify repairs and maintenance required, decide/agree with line manager action required, carry out routine maintenance repairs as requested, subject to training and previous experience.

12. Role dimensions – financial (e.g. annual revenue budgets) and non-financial units (e.g. workload, customers/staff)

Budget – Allocation of budget for the requisition of cleaning and maintenance materials

Staff management – Line Management of Cleaning staff

School assets – Will be substantial and valuable and may include managing access for maintenance and lettings

Other – Regular deliveries each week

13. Main contacts – external/internal customer contacts and purpose. Frequency and level of contact may also be relevant.

Cleaning staff (where appropriate) – daily – manage and oversee standard of work; share information.

Senior Site Manager – daily, discuss site matters and reactive & planned works

Senior Bursar – regular – share information , discuss outstanding site matters and planned work

Headteacher – regular – to share information, and resolve issues and attend meetings.

Senior leadership team - frequent – to share information

Other staff from school – regular – respond to requests for service delivery.

Visitors to the school, e.g. various stakeholders, act as first point of contact and respond to issues raised about the site, e.g. litter.

Contractors and suppliers – regular – agree on site work arrangements, receive deliveries.

Governors – infrequent – attend meetings of Governing Body to share/discuss information about the buildings and premises.

HCC staff – infrequent – meet with and liaise over site issues.

14. Working conditions

- Manual handling (inc. lifting heavy and awkward items)
- Wear protective clothing
- Exposure to potentially dirty, unpleasant and hazardous areas e.g. drains, toilets
- Working overhead e.g. replacing light bulbs, cleaning gutters, and at height e.g. use of ladders and step ladders.
- Handling cleaning materials, fluids, chemicals etc.
- Need to comply with COSHH regulations
- On occasions be available for additional hours in relation to evening and weekend use of the school premises by negotiation and in agreement with line manager
- Exposure to possible unruly behaviour/threats from the public, e.g. when locking up at night

15. Role requirements for operational effectiveness

Entry:

- Good standard of English & Maths
- Full driving license
- Practical, with general knowledge & some experience of plumbing, carpentry & decorating
- Good interpersonal skills with a positive attitude towards others
- Evidence of previous team working and communication skills
- Good standard of IT skills, including ability to use Microsoft packages & google drive
- Willing to undertake job-related training
- Managing own workload and meeting deadlines
- An eye for detail
- Ability to work on your own and within a team

Initial induction/training required to become effective in role:

Estimated time to become operationally effective: 2-4 weeks induction

- Awareness of Health and Safety policy and procedures applicable to the school and the job
- Knowledge of layout of site and buildings
- Able to use machinery e.g. floor cleaning equipment
- Knowledge of school operational arrangements and procedures, schedule of day-today tasks and cleaning specification
- Understanding of appropriate and correct use of cleaning materials

Operationally effective – how effectiveness in role is demonstrated:

- Ensures school is cleaned to a high standard through overall performance
- Ensures no complaints received from school community and users
- Identifies basic maintenance defects and initiates repairs to a good standard
- Ensures positive reports received from HCC Caretaking and Cleaning service on caretaking standards in the school
- Establishes and maintains good relationships with staff and school community
- Uses initiative, and takes appropriate action without reference to the Headteacher

Adding value – what characteristics the advanced role holder will demonstrate:

- Undertakes preventative maintenance activities
- Prepared to undertake tasks which exceed requirements of job description e.g. presenting ideas and new initiatives in relation to the site and buildings
- Willing to enhance maintenance skills through training

16. Context/Additional Information

- Lone working (oversight of out-of-hours usage of the school e.g. lettings)
- Keyholder (vandalism call-outs, out of hours) and emergency call-outs – out of hours e.g. fire/burglar alarms
- Employed for 52 weeks per annum but Headteacher/senior leadership team normally only in school during term time (40 weeks) – need for use of initiative and independent working
- Drive school mini-bus (where MIDAS trained)
- Essential for school to be properly cleaned/adequately heated- school may have to close otherwise
