

Scantabout Primary School Aims

Achieving our best together

To be successful learners we aim to

Make good progress through setting and understanding goals and how to achieve them

Have a positive attitude towards engagement in a relevant and expanding curriculum within and beyond school

Become independent, motivated and have a desire to seek knowledge

To be confident individuals we aim to

Be happy and self assured, enjoying doing things we are good at and be prepared to have a go at new challenges

Be able to accept praise and use areas for development as steps to success

Work inquisitively alone, in pairs and groups

To be responsible citizens we aim to

Treat others as we would like to be treated, taking responsibility for our own actions and understanding our own and others' feelings

See ourselves as part of a whole where we respect our own and one another's opinions, values, beliefs, cultures and surroundings

Have a willingness to take on responsible roles and support others within our school and the wider community

These aims were developed by the whole school team through a series of stakeholder meetings.
