We wish to appoint committed professionals who are passionate about the difference that they can make to the lives of our pupils.

We welcome teachers with a variety of backgrounds including teachers transferring from mainstream, ECTs and those with special needs experience. Experience is less important than aptitude and enthusiasm.

We provide a positive and supportive learning environment which enables each pupil to develop the skills and confidence to achieve their full potential.

We achieve this by:

- Leading high standards in learning, achievement and behaviour for all.
- Providing an engaging and relevant curriculum that supports the individual needs of all pupils.
- Recognising that all pupils learn, achieve and succeed in different ways.
- Enabling all pupils to communicate effectively.
- Respecting individual views on religious and cultural issues as all pupils develop into responsible citizens.
- Promoting effective working partnerships with parents and carers in all aspects of their child's learning.
- Developing all pupils to be as independent as possible and to live safe, healthy and fulfilling lives.

As a school we can offer:

- excellent resources
- a stimulating environment
- a supportive staff team
- a wide range of professional development opportunities
