## Job Hazard Form  Role Title: Lunchtime Supervisory Assistant

This form highlights hazards related to the role that could pose a risk to the post holder.

Role Title: Lunchtime Supervisory Assistant

Manual Handling

This role requires minimal manual handling operations. For example, moving of small items of furniture.

The types of manual handling operation involved in this role are children/objects.

These manual handling operations are required on an infrequent basis.

The weights involved in these manual handling operations are up to 11-15kg.

Job Characteristics

This role involves working with children and young people of up to age 11 years old. This role may also involve working with children and young people with special needs.

This role may involve personal care of a child.

This role involves food handling.

This role also has potential to involve verbal abuse and/or aggression and this is likely on an infrequent basis. The role is also likely to require physical behaviour management interventions for which the postholder will be trained.

Work Environment

This role is carried out in an environment which involves frequent work outdoors.

COSHH (Control of Substances Hazardous to Health)

Biological Hazards

It is possible that postholder may come into routine or regular contact with people with infections e.g. TB/human blood or human bodily fluid e.g. through first aid/soil.

Chemical Hazards {insert as applicable}

The post holder will come into infrequent contact with any chemicals such as cleaning fluids which may be an irritant.

Applicants should be aware that where roles are exposed to hazardous risks, risk assessments are undertaken and control measures are put into place where possible.
