

## Job Description

Name:

Post: Special School Assistant with delegated responsibility for complex medical needs associated with diabetes

Reporting to: Class teacher, Assistant Heads, Deputy Head, Co- Headteachers

Salary Scale: Grade 7

Date:

### Purpose of the Job

- Responsibility for the care of a specific pupil with complex medical needs associated with diabetes
- Support the teaching and learning of pupils with complex learning difficulties
- Work with and support children with a variety of complex academic, physical and emotional/behavioural needs on a class, group or individual basis
- Take responsibility for promoting and safeguarding the welfare of children within the school
- Support the school's aims, values and policies

### Key Accountabilities

- **Take a leading role in the care of a specific pupil with complex medical needs associated with diabetes, including delegated health care tasks, administration of medication and all associated paperwork following the pupil's individual healthcare plan to include:**
  - Administration of insulin
  - Daily administration and recording of snack/lunch within specific timelines
  - Taking regular readings as outlined within the health care plan
  - Keeping accurate records of: carbohydrates relating to lunch and, where applicable, snack, medication administered and blood sugar levels
  - Maintaining the diabetes Omnipod App, ensuring correct input of relevant data is undertaken within set timelines
  - Undertaking a finger prick blood test, if necessary, to check ketone levels or to check blood glucose level if pupil is experiencing a hypo
  - Liaising with parent over the telephone if further advice needs to be sought
  - Maintaining regular communication with parent regarding medical information; written in home/school communication book
  - Keeping an accurate record of all communication with parent on CPOMS
- As directed by the class teacher, to work with individuals or groups of children with complex needs, to support subjects and learning across the whole curriculum
- Establish supportive, caring and secure relationships with the child/ children, promoting respect, self-esteem and a positive, inclusive whole school ethos

- Develop knowledge and understanding of the specific academic, physical and emotional/behavioural needs of individuals and groups of children within the school and respond to them effectively
- Assist the class teacher with the planning, development and delivery of suitable programmes of work for pupils (i.e. Individual Education Plans), for children with specific learning needs and a statement of Special Educational Needs
- Support class teachers to design, create and produce learning activities, materials and resources to support aspects of the curriculum or particular learning outcomes, and to assist and support the children in using them
- Support and motivate the children, clarifying instructions, encouraging independent learning and enabling learning targets and outcomes to be achieved
- Contribute to monitoring and recording pupils' progress, including maintaining records, contributing to reviews and providing relevant feedback to teachers
- Encourage and support good behaviour acting as a positive role model and to deal with challenging behaviour in accordance with school policies and following appropriate training
- Provide welfare support to the children. According to a child's specific requirements, this may include:
  - Administering First Aid and medicines
  - Attending to personal hygiene needs
  - Providing specific therapies/programmes tailored to a child's needs (e.g. physiotherapy)
  - Assisting children with mobility, which may include lifting, moving and carrying
- As directed by the class teacher, to liaise with outside agencies, parents and carers where appropriate, in respect of individual children
- Assist with general school duties. These may include:
  - Setting up classrooms, preparing resources and displays and tidying and clearing away
  - Supervision of children during playtimes and lunchtimes
  - Supervision of children entering and leaving school premises

### Responsibilities

- To support the functions of the Springwell Inclusion Partnership as appropriate and upon request

### Supporting the school

- Support the aims, values, mission and ethos of the school and participate in a team approach to all aspects of school life
- Attend and contribute to staff meetings and INSET days as required and identify areas of personal practice and experience to develop
- Take responsibility for safeguarding following the agreed policies at all times, be aware of confidential issues linked to home/child/school and keep confidences appropriately
- Be aware of health and safety issues and act in accordance with Health and Safety policies
- Ensure implementation and promotion in employment and service delivery of equal opportunities policies and statutory responsibilities

### Other duties

The post holder may be expected to carry out duties other than those given in the job description where the level of responsibility is similar and he/she has appropriate qualifications or receives appropriate training to carry out these duties.
