

Safeguarding Policy Statement

Safeguarding determines the actions that we take to keep children safe and protect them from harm in all aspects of their school life. As a school we are committed to safeguarding and promoting the welfare of all our pupils. The actions that we take to prevent harm; to promote wellbeing; to create safe environments; to educate on rights, respect and responsibilities; to respond to specific issues and vulnerabilities all form part of the safeguarding responsibilities of the school. As such, this overarching policy will link to other policies which will provide more information and greater detail.

Aims

- To provide staff with the framework to promote and safeguard the wellbeing of children and in so doing ensure they meet their statutory responsibilities.
- To ensure consistent good practice across the school.
- To demonstrate our commitment to protecting children.

Principles and Values

Safeguarding and promoting the welfare of children is everyone's responsibility. Everyone who comes into contact with children and their families has a role to play. In order to fulfil this responsibility effectively, all staff should make sure their approach is child-centred. This means that they should consider, at all times, what is in the best interests of the child.

Safeguarding measures are put in place to minimise harm to children. There may be occasions where gaps or deficiencies in our policies and processes will be highlighted. In these situations, a review will be carried out in order to identify learning and inform the policy, practice and culture of the school.

All pupils in our school can talk to any member of staff about situations, or to share concerns, which are causing them worries. The staff will listen to the pupil, take their worries seriously and share the information with the safeguarding lead.

In addition, we provide pupils with information about who they can talk to outside of school, both within the community and with local or national organisations that can provide support or help.

As a school, we review this policy at least annually in line with DfE, HSCP, HCC and any other relevant guidance

Areas of Safeguarding

Keeping Children Safe in Education (2021) and the Ofsted inspection guidance (2021), have highlighted and separated a number of safeguarding areas:- Emerging or high risk

issues (part 1); Those related to the pupils as an individual (part 2); other safeguarding issues affecting pupils (part 3); and those related to the running of the school (part 4).

Definitions

'Safeguarding' is defined in the Children Act 2004 as protecting from maltreatment; preventing impairment of health and development; ensuring that children grow up with the provision of safe and effective care; and work in a way that gives the best life chances and transition to adult hood. Our safeguarding practice applies to every child.

The term **Staff** applies to all those working for or on behalf of the school, full time or part time, in either a paid or voluntary capacity. This also includes parent volunteers and Governors.

Child refers to all young people who have not yet reached their 18th birthday. On the whole, this will apply to pupils of our school; however, the policy will extend to visiting children and students from other establishments.

Parent refers to birth parents and other adults in a parenting role for example adoptive parents, guardians, step parents and foster carers.
