

Nurturing potential, growing stronger together

October 2024

Dear Prospective Applicant,

Thank you for your interest in becoming the founding Headteacher of Hounsme Fields Primary School. As Nelson Mandela said, "Education is the most powerful weapon which you can use to change the world." At Engage Enrich Excel Academies, we embody this belief.

Located in the Hounsme Fields development in Basingstoke, our eco-friendly school will open with one class and grow each year. Partnering with Hampshire, we aim to create a world-class facility that empowers all pupils to excel. The founding Headteacher will play a vital role in developing a resource provision for pupils with SEMH needs. Eventually, the school will accommodate 420 pupils, plus 8 additional resource places.

Construction is underway, and while site visits are currently unavailable, we invite you to explore our Trust schools to witness our nurturing cultures in action.

We aim to appoint a Headteacher for the summer term of 2025, allowing the successful applicant to shape the curriculum and forge essential local connections for the school's success.

I would welcome the chance to discuss what success means within our Trust and how we focus on developing our staff into their best selves. Our leaders have opportunities to foster their own school's growth while contributing to our collaborative family of schools. Together, we can empower our communities to achieve excellence through positive collaboration.

We look forward to your application.

Kind regards

David
Chief Executive Officer (dharris@eeea.co.uk)
