

St Anne's Catholic School

Person Specification for Food Technician

<u>Essential</u>	<u>Desirable</u>
In sympathy with the ethos of the school visible in relationships with all stakeholders	Qualifications in catering/food preparation or a related area are not a requirement for the position but would be highly regarded.
Commitment to safeguarding children	Experience in working in a role where safeguarding is a requirement
Experience/knowledge in food preparation, handling or production or a related discipline	
Be passionate about food either generally or with specialism(s)	Demonstrated ability/experience to enhance educational outcomes for pupils at the school
Ability to work without direct supervision	
Able to supervise groups of students if required and to contribute to their learning, where needed	Experience of supervising groups of students
Be flexible, able to work under pressure, prioritise tasks and meet deadlines	
Understanding of food safety guidance	Experience in developing and implementing food safety guidelines.
Be children-focused	First Aid Qualification
Good general administrative skills	Have proficient general ICT skills, including the use of Microsoft, email and internet
Able to liaise with both teaching and support staff	Proficient in the use of systems used in schools
Have excellent communications skills, written and verbal	Food Safety Handling Certificate
Have an aptitude for accuracy and detail	
Be self-motivated and resourceful	
Ability to work as part of a team	

The successful candidate will be an adaptable and flexible team member who is discrete, calm and efficient with a sense of humour. All staff are expected to be in full support of the school's ethos and values and comfortable working in the environment of a Catholic school.
